The next Joint Club meeting will be at the Joint EOC in downtown Fort Worth. Date will be announced once Gerry has it finalized.

Field Day is June 28 and 29.

Business: 2 weeks ago we had the Quarterly EOC Radio check. It went fast.

Joint club meeting was good. We had about 40 people attend and was informative.

Echolink computer has some issues. James has a laptop he does not need that he will donate to the club to use for Echolink and Winlink. It may not work for us as it is very slow. Al will try to see if the city will be able to get us a different laptop.

Field Day is coming up. James would like to see us set up the go kits and make a few contacts. We will meet on Sat the June 28 at 1 pm and we will operate until we tire out.

Jim offered to buy back the Echolink TNC he built for the old Kenwood radio. Dick made the motion to allow him to purchase, James seconded. He will pay \$40 for the TNC and \$20 for the USB converter.

The Tarheel Screwdriver antenna was brought out and we checked to make sure we had all the radials and counter poise we needed.

VE testing is available if you want to get your ticket or upgrade, send Chris an email if you want to take a test after the meeting. He needs to get the testing info and the VE's together. [ke5kpc@gmail.com](mailto:ke5kpc@gmail.com).

Motion to adjourn was made by Al at 19:45, seconded by John. Motion passed
