Member Comments: One member has asked if there is a way to put a picture of members on HamClubOnline. Chris looked and it does not have that ability. However, we can put one on the club site. That would require each member to send in a picture and we would need to have their permission to post on the website. This could be put behind a password if we move forward with this. We will work this out in a future meeting.

Member asked if there is anyone active on 6m and 10m. There are several nets on 10m.visit <https://www.ten-ten.org/> for times and frequencies.
